
Sweet Bean Photography

Greetings Dance Families~

Congratulations on another wonderful Recital! The costumes & smiles were beautiful!

The majority of Group photos are available for viewing and purchase under the "2017 Recital Groups" tab. The remainder will be available as soon as possible but, no later than July 15th.

Action photos have been taken during rehearsal and both shows. These have all been uploaded and are available.

Photos taken at the recital as "Action Shots" can be purchased for \$5 per class. (DVD or online downloads)

Flash drives are available but will be an additional \$5 to pay for the drive.

If you'd like to purchase individual prints of Action Shot files, anything sized 5x7 or larger will be edited at no additional charge. (These edits are to brighten and/or remove unwanted objects such as exit signs or floor tape.) Major edits will require an additional charge as they are time consuming. These can be discussed if you are interested.

Prints can be purchased online through the website. Downloads, DVDs and Flashdrives can be ordered by contacting me via phone or email. You will then be invoiced. Once payment is received, your order will be filled and you will be notified when it is ready for pick-up at my photography studio. A flat shipping fee of \$4 can be applied if you would prefer. All orders are subject to tax.

Individual edited portrait files or edited stage digital files can be purchased for \$12 each and will include a print release. (Plus tax)

A DIGITAL PACKAGE offer for those who schedule individual portrait sessions is available for \$60.00 (plus tax) sitting fee for portrait session at my studio or a location of your choice.

You get all edited files chosen by me as the best of each backdrop in each session. (6 guaranteed files, most likely more.) You will also receive the action photos from each of your child's dances and be eligible for HALF OFF OF PRINTS, INCLUDING GROUP PHOTOS AND MEMORY MATES!

** If you would like to have both indoor and outdoor sessions, the second will be half off. This will give you 6 guaranteed edited files from each shoot (total of 12+) and the option of 1/2 off prints.

This is an awesome deal but, not required. If you would prefer, you may purchase everything seperately. I will continue to book dance sessions through JUNE. For sessions held after the recital, your pictures will be available 30 days after July 15th or sooner.

Please feel free to contact me with any questions!

Many thanks to Allison and Barb for this opportunity. I enjoy working with all of the dancers!

Sincerely,

Lisa Morgan
